

## 1. ENDEAVOR

Anytime we've grown apart  
Just claiming on my own  
傷つくのをただ  
何よりも恐れていた  
単純が絡まって  
複雑を生み出した  
見つけた答えも  
まだ未完成のまま...

This is the time!!  
What will you see??  
You can't change the past time!!  
You've decided??  
You must not look back!!

傷で傷を塞いで  
嘘と偽り目をそらした  
変えられたモノは確かにあったの

I want to change myself  
I don't live in the past  
「変わらない。」と嘆いていた僕は  
きっといつまでも  
このままずっと  
他が為でもなく  
今声を枯らすの!!

Anyone won't feel alone  
And scare to be getting hurt  
悲しむことも誰かのせいにして  
砕けてった理想も  
報われない涙も  
きっと君は気付いていたでしょ??

When I'm sad  
Can you be in next to me??  
Are you feeling now??  
It's never end feeling alone  
You made me mad!!  
Just tell me why!!  
It's wasting time  
break off

今...今越えるから  
足掻く日々が  
僕を強くして  
声が届くまで  
叫び続けるから  
だからもうこの手は  
握ったまま

If you'll go to other way  
won't stop it anymore  
This is our last chance  
Have it your way!!!

I want to change myself  
I don't live in the past  
「変わらない。」と嘆いていた君も  
きっといつまでも  
このままずっと  
他が為でもなく  
その命枯らすの!!

## 2. Make a Choice

I have always dreamed  
for a long time  
But scared I scared!!  
How can I do??

You're still in my heart now  
It hurts me right here  
How can I forget??  
What should I do??

You should do now!!  
This is last chance!!

先は見えるのに  
越えられなくて  
今...  
やるだけだから!!

There is no need to be here  
Never !!  
Is there anything you  
haven't done it yet??  
Make a choice!!  
Even if you make a mistake  
Everywhere  
Take it what you want to do

You're not the end  
You're breathing now  
The answer is in front of my eyes  
You can find it out  
Let me realize  
I'm waiting for the time!!

The time is now!!  
どこを見渡しても  
偽物ばかりでしょ??  
I don't want to deceive anymore!!  
You'll start to see  
what you really need  
The choice is yours to believe  
How I used to be  
Cry!!  
What do I really want!!

If I could see the end  
I would give up  
I can't do that  
Start over now!!

### 3. REVEAL

What should we do now!!  
Keep inside my head  
What's important??  
In defense of myself  
Did you keep someone??  
Can you hear?? "Help me!! "

How many have you turned blind eye??  
You insist on just only your pain  
You ridicule at the sins  
Why you can remain hypocrite??  
Don't know the pain...

Just now you must reveal yourself  
Are you ready??

"The time of truth"  
You can hear the voice inside of you  
I want to alive  
You threat to take your life  
When you face to dead  
No one in here  
Because they hate going through pain  
Who hope peace  
Who break peace  
They are same  
Just like that!!

Pride??  
How many times  
have been broken  
and made again  
Ideal??  
How many times  
Have been broken  
And made again  
We must be alive  
If you don't hope for tomorrow  
No matter how  
It will come  
You hurt unnoticed  
It's late to regret  
  
How many did you lose??  
How many did you hurt??  
No matter how you find the answer  
You can't find  
You have to make  
One more time  
  
If you hear my voice right now  
Let me hear you voice  
And stay with me  
Stay in me
